# OVERVIEW

## General Information

The bilingual word-to-word dictionaries listed in this document are permitted for use by examinees testing with English learner (EL) supports on ACT assessments.

### Examinees Provide Their Own Dictionaries

Examinees are to provide their own dictionary and should consult this list prior to testing to ensure it is approved.

### ACT Criteria for Approval of Word-to-Word Bilingual Dictionaries

Only those word-to-word dictionaries that meet all three of the following criteria may be used.

To be approved as supporting a valid test result, the ACT-authorized word-to-word dictionary:

- Must be in paper format (non-electronic)
- Must provide only and strictly word-to-word translation
- Must not provide any definitions, pictures, or thesaurus for the word entries

If the examinee would like to test with a bilingual word-to-word dictionary that is not listed, please contact ACT at 319.337.1332 or [ACTAccom@act.org](mailto:ACTAccom@act.org). ACT will review the examinee's preferred dictionary according to the criteria provided above and determine if the dictionary can be used for testing. These requests must be submitted for ACT review at least two weeks prior to the test date for any examinees testing with ACT-authorized accommodations and/or supports.

### Prohibited Dictionaries

The use of any dictionary other than those listed in this document is prohibited on all ACT tests. The authorized bilingual dictionaries and glossaries listed are word-to-word translations only. Electronic translation devices are not allowed.

A list of publishers and distributors (with contact information) appears at the end of this document.
