

Navvy 2026–2027

Progress Checks and Blueprints Update

In partnership, Pearson and the Arizona Department of Education are sharing important 2026–2027 updates related to Navvy Progress Checks and Blueprints. These updates are intended to help schools and districts plan for the upcoming year, understand available assessment options, and prepare for implementation. If your district has not yet opted in, you may do so [here](#).

Progress Checks Timelines

FALL KEY DATES:

- ☐ Administrators and teachers will be able to assign Fall Progress Checks beginning October 26.
- ☐ The Fall Progress Checks testing window is November 4–25.
- ☐ Aggregate reporting will be available in Navvy on December 7.

WINTER KEY DATES:

- ☐ Administrators and teachers will be able to assign Winter Progress Checks beginning January 25, 2027.
- ☐ The Winter Progress Checks testing window will be available from February 3–24, 2027.
- ☐ Aggregate reporting will be available in Navvy on March 1, 2027.

Professional Development:
